

Term 2

3 May 2017

Dear Families,

Welcome everyone. We hope you have had a good break. It's great to see our students eager and excited to start term 2!

This term the children will be learning about:

- **Science:** Chemical Science with a focus on materials
- **Drama:** role play, performing dance and improvisation
- **Physical Education:** focusing on program called 'Action Packed'. The program uses music to help students stay active.
- **Health:** Hygiene and Road Safety
- **Literacy:** Information Reports
- **Numeracy:** Measurement and Geometry
- **Child Protection:** Relationships

Some special events that will be happening in term 2 will include:

- A visit to the Adelaide Zoo (*more information about what is needed will be sent home later in the term*).
- Australian Ballet Company Performance (Thursday week 1). Families are welcome to attend. Performance will start at **1:25pm**, in the **gym**.
- Reconciliation Week
- Parent/teacher interviews (*more information about this will be sent home shortly*).

Please note a few reminders for this term:

- Your child will bring home their reading folder each night for homework. Please help them read and discuss their book with them. Also, please practise their sight words with them, every night. This will help them develop their language and literacy.
- Students do not need to wear hats this term. Hats will need to be worn again in term 4. If your child has kept their hat at home, please ask them to bring it to school, so that we can wash their hats ready for term 4.
- Our library day is on Thursday. The children will need to return and borrow their library books on this day.
- It is great to see the children bringing healthy food for recess and lunch, as we encourage healthy eating in our class.

Kind Regards,

Nik Skrob - Room 29 IELC Teacher
