# ROOM IELC 2 - YEAR 6

## Welcome

### Dear Families,

Welcome to the start of a new year in the Intensive English Language Centre. My name is **Guillermo Salinas** and this year your child is in room **IELC 2**. I am excited to work with your child and seeing familiar faces and meeting new families.

### School Times

School begins at 8:55 am and ends at 3:05 pm.

### Hats

This term we have the hot weather policy and students are required to wear their hats when outside.

### Food and drink

The school encourages healthy eating in our classes so please be sure to send **healthy food** with your child. It is important that your child drinks water throughout the day, so please send a **water bottle** to use at school.

### Homework

For homework, your child should **read** at least **20 minutes every night**. There are many books available to them in the classroom. If your child is not reading at home, please ask them about this. Your child will also be given a list of **ten common words** to learn, and it is expected that they practice reading and writing these each night.

**Please support your child with their homework by listening to them read, practicing their sight words, and any extra homework they may receive.**

More information will be given in the following weeks. If you have any questions, please remember to contact me through a note with your child, or at the school by phone. The school phone number is: **8262 4864**. I am looking forward to sharing in your child's future learning success and hope that you find the year exciting and rewarding.

Kind regards,

*Guillermo Salinas*
