

WELCOME BACK TO TERM 2

I hope you had a fantastic break. We are looking forward to an exciting term.

Our Term 2 focus:

- ⇒ This term the students will be learning about **animals** and will focus on information reports, and our mathematics focus will be **fractions and money**. Child Protection will focus on **relationships**.
- ⇒ They will also be learning about chemical sciences for science, hygiene and road safety for health, and participating in drama with Mrs. Lakra. Physical Education lessons will also be taught by Ms. Mig.
- ⇒ Some special events this term will be parent/teacher interviews, a zoo visit, an open day for parents and reconciliation week. More information about the events will be sent home later in the term.

Here are a few reminders for the term:

Homework: Students need to read a reader and their sight words **every night**. Extra homework may be sent with your child when needed. Please make sure they are doing their homework every night.

Food & drink: Please send healthy foods for recess and lunch and a drink bottle with water. Due to food allergies, please make sure that **no nuts/bananas** are brought to school.

Library: Our library borrowing time is **Thursday**. Please be sure that your child returns their books to school.

School uniform: Please make sure that students are wearing the correct school uniform every day. Students will **not** need to wear hats in terms 2 and 3.

I look forward to an exciting, educational and fun-filled term.

Kind regards,

Guillermo Salinas (IELC 2 teacher)
