

WELCOME BACK TO TERM 3

I hope you had a fantastic break. We are looking forward to another exciting term and it's great to see our eager and excited students back.

Our Term 3 focus:

- ⇒ This term the students will be learning about **foods** and will focus on procedural writing, and our mathematics focus will be **time and money**. Child Protection will focus on the **right to be safe**.
- ⇒ They will also be learning about **biological sciences** for science and **healthy eating and fire safety** for health with Mrs. Lakra. Physical Education lessons will also be taught by Ms. Mig and Ms. Harris.
- ⇒ Some special events this term will be book week, science week, school photos and some excursions. More information about the excursions will be sent home later in the term.

Here are a few **reminders** for the term:

Homework: Students need to read a reader and their sight words **every night**. Extra homework may be sent with your child when needed. Please make sure they are doing their homework every night.

Food & drink: Please send healthy foods for recess and lunch and a drink bottle with water. Due to food allergies, please make sure that **no nuts/bananas** are brought to school.

Library: Our library borrowing time is **Thursday**. Please be sure that your child returns their books to school on this day.

School uniform: Please make sure that students are wearing the correct school uniform every day. Students will **not** need to wear hats in terms 2 and 3.

I look forward to an exciting, educational and fun-filled term.

Kind regards,

Guillermo Salinas (IELC 2 teacher)
