

YEAR 3

IELC 7

TERM 1 NEWSLETTER

Room 24, January 2017

Dear Families,

I'm looking forward to a great year of learning and well being. There will be lots of fun and interesting activities for your children to learn this year.

Food and Drinks

It's best to start the year with a healthy recess and lunch. A healthy lunchbox may include:

- Fresh fruit and vegetables.
- Dairy products like milk or yoghurt.
- Brown rice or wholegrain bread with meat.

Please provide your child with a drink bottle to use at school.

Homework

It is an expectation that your child should read a levelled reader at home every night for at least 20 minutes. Books can be borrowed from the school library to take home during our weekly library lesson.

Each week, your child will be given a list of 10 common words to practice reading and writing. At the end of the week, a test will be given to evaluate their progression. Please support your child by listening to them read and practice their common words (Sight words).

I look forward to working with your children and hope to meet you all during the year.
