Dear families,

Welcome back! I trust that you have all enjoyed your time over the holiday break, celebrating some special family time together. For those of you who don't know me I am Melanie Smith. I have worked at Ingle Farm Primary School for the past 2 years in middle primary. Prior to working at Ingle Farm I worked in a couple of country schools over 5 years with a range of classes from Reception through to year 5. I have also been a leader in an early learning centre working with children from birth to 3 years.

I am really excited to work with this new group of students, developing their growth mindsets and being a part of their learning journey. I have high expectations of all my students while providing them with the support they need to achieve their goals.

If there are any specific things you would like me to know about your child please feel free to organise a time to meet with me and we can have a chat.

Looking forward to meeting you all!

Melanie Smith
