

Room 1 – Class Newsletter – Term 1

Dear families,
Welcome back! Each term I will send a class newsletter home containing important information about our class, student expectations and special news. I will also send home a list of topics we will be learning about in each subject area. All other communication will be through your child's communication book, which can be found in their take home folder (pencil case).

Acquaintance night will occur on Tuesday 13th February at 5pm which is a great opportunity for families to walk through the school and visit their child's classroom.

Looking forward to meeting you all!
Regards, Melanie Smith

HOMEWORK EXPECTATIONS

Student homework this term will be:

- Reading each night: to be recorded in their reading journal.
- 3 activities per week from the homework grid. These will begin in week 2 and include a range of tasks including art, exercise, helping out around the house and some written work.

School Uniform

As a part of our uniform policy to show school pride and create a positive school culture, students must wear uniform every day.

School uniform includes:

- T-shirts and jumpers with school logo.
- Plain navy blue or red t-shirts, jumpers, jackets, pants, leggings, shorts, skirts or dresses.

Black is not a school colour.

Please make sure your child is dressed in the appropriate school uniform.

Hats

Term 1 means that students will need to wear a hat if they wish to play outside and participate in all Physical Education lessons. Hats can be purchased from the office for \$5. Please make sure your child's hat is clearly labelled.

Water Bottles

PLEASE make sure your child has a drink bottle filled with water EVERY DAY. It is very important that students have access to water during lesson times, especially now that the warmer weather is back. When students need to leave class to get a drink of water it disrupts their learning and focus on tasks.

Tissues

Could each student please bring one box of tissues to donate to the class.

Please be aware that we are a nut and egg free classroom.

Student Stationary

This year each student will be provided with all their own stationary. These items will stay at school in your child's pencil pot. If stationary is lost or broken it will be the student's responsibility to organise a replacement.
