INGLE FARM PRIMARY SCHOOL | TERM 3, 2017

TERM 3 LEARNING & THE CURRICULUM

English: During Week 1-3 our class will be focusing on a novel & film study with Paper Planes. In Weeks 4-5 our class will be developing our letter and email writing skills to write to Pen Pals from a different country. Our EALD writing will be focused on Information Reports.

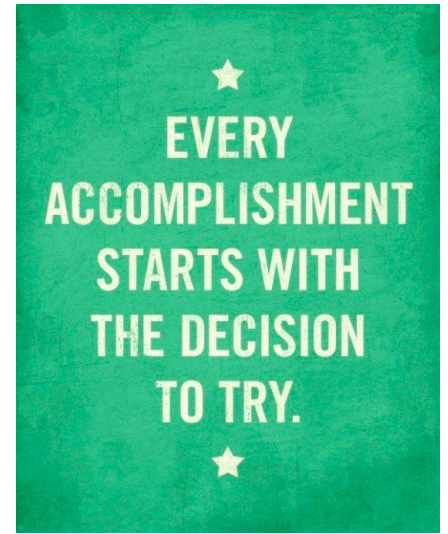

Math: In math we will be looking at Money & Financial math, Shape, Location & Transformation and Measurement. We will be incorporating a new program of Natural Maths to target all learners.

Science: Students will be exploring Physical Sciences with a focus on electrical circuits and Earth's forces.

HASS: We will have a focus on Civics & Citizenship looking at Australia's Government system with an inquiry project.

Digital Tech: Looking at algorithms/programming using Makey-Makeys.

Health/Child Protection Curriculum: Focusing on Growth & Development.

- School Photos Wednesday 20th September
- IFPS Community Expo Friday 22nd September

Our student teacher
Todd with Room 20

FROM MISS N

Hi families! We have had an extremely busy term during Term 2 with visits from Karen Butler from Week 2-5 teaching us all about Digital Technologies using a variety of different devices including Makey-Makeys, Spheros and OzBots! We also had a great time learning from our Student Teachers Todd and Bridget and welcome them back at any time in the future. We had Shazz visit us from Endeavour College for her work experience in Week 10 and appreciated all of her help.

This term as we settle into the year, we are going to be busy exploring different ways of learning our Literacy & Mathematics creating a more hands on and group task approach. We will also be busy planning for all of the upcoming events across this term including the graduation and concert next term! We have a jam-packed term ahead of us so let me know if you'd like to discuss any queries you have. Looking forward to another wonderful term! *Linh Nguyen*

NOTES

- Our classroom are now using Google Chromebooks and **Google Classroom**. We will be using these to develop our ICT capabilities across subject areas.
- Please visit our class website: www.room20ifps.weebly.com as there will be class news, information and student blog entries available.
- Students' NIT teachers and timetable will remain the same as Term 1. Chinese with Ms Mig on Monday afternoon, The Arts with Ms Ruth on Tuesday afternoon and PE with Mr A on Wednesday.
