

# Miss Cherie's SECOND GRADE

# NEWS

FOR the week of  
  
TERM 3 WEEK 1

## Hot TOPICS this week

**Mathematics:** Multiplication arrays, number stories, mental computation strategies, addition, subtraction, division and time.

**Literacy Focus:** Handwriting, Grammar, Reading, Comprehension and Exposition writing.

**Science:** Continue what are things made of? and what are Earth's resources?

**History Focus:** Technology through history. Looking at how has the way we play, use transport, communicate and the type of technology changed over time.

**Geography:** Continue Connections to Country/Place and Australian Connections along with visiting places in the community.

**Health:** Focusing on the human body, health benefits of physical activity, mental health and wellbeing.

**Child Protection:** Continue relationships, power, recognising abusive situations and Secrets.

## Homework

**Reading:** Read for 10-15 minutes every night. Record your reading on your reading log with parent signature. *(Please ask you child questions about the book they have read to build and extend their comprehension skills)*

**Spelling:** Work on your daily Spelling Grid each night.

**Sight Words:** Practice reciting your words every night.

**Extra Spelling Words:** Practice spelling your words every night using the LCWC template.

**Mathematics:** Practice your 2, 3, 5, and 10 times tables daily depending on LCWC focus for the week.

Homework books are collected and checked each day.

**Dates to Remember:** Excursion to the Zoo Week 2 Book Week in Week 5 School Photos Week 9  
Student Free Day Week 2 4.8.17 & Week 7 4.9.17 IFPS Community Expo Week 9 22.9.17

## MESSAGE FROM MISS CHERIE

I can't believe it's Term 3 already! We have a very busy second semester ahead with our excursion to the zoo in Week 2, along with exciting whole school events. Room 4 will be independent learners stretching their learning and having a positive mindset.

Many Thanks, Miss Cherie
