Dear Families,

Welcome to the 2017 school year. We are looking forward to an exciting year full of fabulous adventures in learning. This year I will be teaching 0.6 in the SL Class and Margaret is teaching 0.4. The days we are working are detailed above.

I started teaching in the Ingle Farm SL class in 2003 and was appointed to the permanent full time position in 2005. Prior to my role in the SL class I taught in a number of preschools with children with speech and language difficulties. I am a mother of fraternal twin boys, who will be turning 3 in May.

Margaret is both teacher and SSO trained. She joined the SL Class in 2008 as our full time SSO. From 2015 she was part time teaching and working as the SSO in our class. She has 4 beautiful adult children.

We welcome Barb McLaughlin back to the class. She is our full time SSO this year. Our speech pathologist, Megan Hobby is also returning to class.

We are all looking forward to supporting and working with you and your child. We will send home further information once timetable details have been finalised.

If you have any questions or concerns at any time please let us know.

Kind Regards,

Nicolle Bennett and Margaret Budreika
