

★ Speech and Language Class 2018 ★

29th January 2018

Dear Families,

Welcome to the 2018 school year. We are looking forward to an exciting year full of fabulous adventures in learning. I will be teaching the first 3 days of the week in the class and Margaret is teaching on Thursday and Friday.

For those that don't know I commenced teaching in the Ingle Farm SL class in 2003 and was appointed as the permanent full teacher in 2005. Prior to my role in the SL class I taught in a number of preschools with children with speech and language difficulties. I am the mother of twin boys, who will be turning 4 at the end of May.

Margaret is trained as a teacher and as a SSO. She joined the SL Class in 2008 as our full time SSO. In 2015 she started part time teaching in the class. This year she is working in some of the Junior Primary mainstream classes as an SSO Monday to Wednesday. She has 4 beautiful adult children.

We welcome Barb McLaughlin back to the class. She is our full time SSO and a proud Grandmother to her 3-year-old grandson, Aiden.

We welcome our 'new' speech pathologist Abbie Van Pamelen. She is working on Monday and Tuesdays. Abbie has a 4-year-old daughter starting kindy this year. Abbie is familiar with the class as she worked in our class from 2008 before leaving to have her daughter. She will join us from Week 3. She will pop in to meet the children during week 2.

We are all looking forward to supporting and working with you and your child. Please spend some time over the next few nights reading all the school and class information glued into the communication book.

If you have any questions or concerns at any time please let us know.

Kind Regards,

Nicolle Bennett and Margaret Budreika
