

Seesaw Permission Form

Dear Families,

Ingle Farm Primary School is excited to announce that we are now a Seesaw school.

Seesaw is a valuable tool that allows you to share in celebrating your child's achievements. Children are able to share photos, videos, stories of their work that you will be able to see and contribute to from a phone or tablet. Seesaw is also a powerful communication tool designed to inform you on important information, events and updates.

Your child's teacher can provide you with a code to quickly get you started with Seesaw and connect to your child's Seesaw profile. Seesaw is a free app and is compatible with most devices.

Seesaw is a safe and inclusive internet based program but we need your permission to add your child's photos, videos and work to Seesaw. Please read, sign and return the slip below if you and your child would like to participate in Seesaw.
