

## WELCOME TO ROOM 26!

### Dear Families,

Welcome back to school for 2020! My name is Amy Sugars (Miss Sugars) and I am your child's teacher for this year. I am really looking forward to getting to know each of my students and to watch them learn and grow this year. I am passionate about building positive relationships with each individual in order to understand how they learn and provide students with challenging and meaningful learning experiences. This year is my first year at Ingle Farm Primary School and I am excited to be a part of the school community.

In the first two weeks of this term we will be focusing heavily on building a positive classroom community in order to set up for a successful year. During this time we will be learning about our class expectations and routines, as well as our school values and learning code. We will also be developing our abilities to work as a team and set learning goals that I will support students to work towards throughout the year.

Our class will be using the Seesaw app in order to share student learning, additionally I will use the app to send you messages and reminders. If you have any questions or concerns feel free to send me a message on Seesaw. Please let me know if you have any issues connecting to the app. If you are unable to use Seesaw at this time your child will also be provided with a communication book where messages may be recorded.

### A few reminders...

- During term 1 and 4 hats must be worn during outdoor activities as well as recess and lunch breaks. Please ensure that your child's hat is labelled.
- If your child is late or you need to pick them up early please sign them in/out at the office.
- If your child is absent please notify the school by phone (8262 4864) or send me a message on Seesaw.
- Please make sure that your child brings a drink bottle and a piece of fruit or vegetable school each day for morning brain food. Please also ensure that your child's lunch box is nut free because some students have allergies.
- Starting in week 3 students will be required to complete homework which will consist of practice of their weekly spelling words and reading each night. I encourage you to read with your child each night.

Kind regards,

AMY SUGARS
