

Speech and Language Class 2020

~ Welcome and introductions ~

Dear Families,

Welcome to the 2020 school year. We are looking forward to an exciting year full of fabulous adventures in learning. I will be teaching the class this year and have had just over 30 year experience as an Early Years educator.

For those that don't know, I commenced teaching at Ingle Farm in 2004 as a Junior Primary Teacher. In my time at Ingle Farm I have had a range of roles across the school and often worked with Nicolle (the previous SL teacher), the Speech and Language class and supported students during inclusion.

I taught in the country for my first 5 years of teaching before returning to the city. I am the mother of two boys. My eldest is in his second year at University and my youngest will be completing Year 12 this year.

We welcome Christie MacGregor. She is our full time SSO. She has worked at Ingle Farm Primary School for the last 4 years supporting students across all year levels. She is the proud mother of a teenage daughter and an adult son.

We welcome back our Speech Pathologist, Abbie Van Pamelan. She is working on Mondays and Thursdays this year. Abbie has a daughter in her second year of school.

We are all looking forward to supporting and working with you and your child. Please spend some time over the next few nights reading all the school and class information.

Seesaw will be used throughout the school. Your child's current account will be archived, and a new account will be set up. Please save the photos you wish to keep. We will give you information on how to access your child's new Seesaw account.

If you have any questions or concerns at any time, please let us know.

Kind regards,
Linda Clark
