

Welcome to 2020!

Welcome to our new Reception students, and welcome back to our Year 1 students. I hope you are all feeling refreshed after a long break. I can't wait to hear the exciting stories from all of the children about their holidays!

In Literacy, our Term 1 focus for Reception students is phonological awareness and learning the Phonics sequence of sounds. This will include structured handwriting lessons and hands on activities. For Year 1 students, we will be focussing on spelling activities using sound knowledge. We will be learning to write a simple recount and adding descriptive words. A curriculum overview for Term 1 with all learning areas will be available at the Information Night on Tuesday the 11th of February.

Our focus in Term 1 is establishing and settling in to routines in our classroom. We will be regularly revisiting our class expectations and reminding each other of our class rules and school values of Respect, Honesty and Persistence.

Important calendar dates for Term 1 will be displayed on our class window and posted on Seesaw.

Upcoming:

- Information Night (Tuesday 11th February)
- Student free day (Monday 20th February)

I am looking forward to a successful term of learning together!

Miss Melissa 😊

R/1 Teacher, Ingle Farm Primary School
