

Room 7

Ms Cherie & Ms Kathryn

Term 2, Newsletter

Dear Families,

Welcome back for an exciting second term, filled with lots of new learning adventures and fun in Room 7! We are very excited to watch the students continue to develop and grow as independent learners. Having a rocky start to the year with COVID-19 we hope the return to school will bring calmness and structure for the students. We bet they have missed their friends at school! Any concerns or questions regarding your child, please feel free to make a time to come and see us or send a message via seesaw.

We look forward to a busy and fun filled term ahead.

Kind regards,

Cherie Hewish & Kathryn Smith

Important Information

As a team we can work together to provide the best start to your child's education. By working together it is crucial that you;

Read with your child every night so they can be successful in reaching the benchmark of **reading level 5 or above by the end of the year**. *Readers will be sent home later in the term.*

Read through the sight words provided in your child's homework book every night as they are expected to know **100 by the end of the year**. Some students don't know any or under 5 which is a high concern.

Read through the Phonics sounds with your child as they should know all **42 sounds by the end of Term 1**.

Timetable

Monday

Computers

Tuesday

Physical Education – Mr Polyak

Wednesday

Library Borrowing

Thursday

Music – Ms Ruth

Friday

Science – Miss Eleni

Wellbeing

At school we are reinforcing the importance of hygiene and correct handwashing procedures. We are all trying our best to help prevent the spread of germs. As we are getting closer to winter can I please ask for families to donate a box of tissues to get us through. With social distancing we are continuing to only let students inside the classroom and parents to drop off and collect outside the room. It is very important that if your child isn't feeling well, to stay home to prevent the spread of germs.

We thank you for your patience and flexibility during this unknow time.
