

Speech and Language Class
Term 2 Newsletter

Dear Families,

Welcome to Term 2. We hope you all enjoyed a lovely Easter and break from the school routine. We look forward to creating a class of learners whether you are in class or at home!

Families are asked to drop their students at the gate in the mornings in line with Health recommendations. Please remember to sign in and out from the front office if late or picking your child up early. If your child is ill at school, we will ring you and ask you pick them up from the office.

All students are showing independence when getting organised in the mornings (unpacking bags, putting drink bottles and reader folders away) and prepared for learning tasks. A visual schedule will be provided to support students both in the mornings and afternoons.

We do highly value family connection and communication so if you have any concerns or questions please send a message on **Seesaw** and we can have a chat on the **phone** or via **Webex**. I can send you a link for a meeting time online. Abbie is also available to talk through Speech Goals.

The students will continue to work 1:1 with our team on their personalised One Plan goals throughout the day and participate in whole class learning activities.

Pronouncing sounds: a useful website to support your child with pronouncing sounds correctly.

https://cdn.oxfordowl.co.uk/2016/05/05/20/22/32/561/20097_content/index.html?id=ae

Tissues – If possible, please donate a box of tissues for our class so we can use our class budget on resources for learning.

Healthy snack - Please provide your child with fruit, some vegetable sticks or a healthy snack to eat around 10am.

Please continue to provide a **drink bottle** each day.

Thank you for being responsive with **Seesaw** tasks and communication. I aim to respond to any questions/concerns in work hours. If there is something urgent you would like me to know please ring the school.

Kind regards,
Linda Clark – SL5 Class Teacher
