Homework

This term readers will be going home. Students will receive 2 readers on Monday and will swap them for new ones on Thursdays. Please read with your child every night so they can be successful in reaching the benchmark of **reading level 5 or above by the end of the year.**

Students will have a homework book this term. There will be a list of spelling words and activities for the students to complete throughout the week.

Students will also continue to have sight words to read through every night as they are expected to know **100 or above by the end of the year.**

Please continue to read your Phonics sounds and decode the list words linked to the sounds learnt.

Remember learning is meant to be fun not a chore 😊
