

Speech and Language Class Term 3 Newsletter

Dear Families,

Welcome back! Hoping everyone had a restful break ready for Term 3. It is wonderful to be able to reconnect again after our COVID-19 restrictions.

Remember to sign in and out from the front office if late or picking your child up early. Also be mindful if your child is showing signs of being unwell, please keep them home. Students will be reminded and supervised when handwashing to ensure our learning environment is safe and healthy.

We do highly value family connection and communication so if you have any concerns or questions please send a message on **Seesaw** or we can have a chat on the **phone**. If you would like to see us in person, please make an appointment. Abbie is also available to talk through Speech Goals.

The students will continue to work 1:1 with our team on their personalised One Plan **goals** throughout the day and participate in whole class learning activities. They are so happy when they achieve their goals and eager to share them on Seesaw.

Giving opportunities for your child to review recently taught letter-sounds, helps them identify letter-sound relationships more fluently and produce them. Please continue to say the sounds for homework. We also work on writing the letters and say as we write.

Tissues – If possible, please donate a box of tissues for our class so we can use our class budget on resources for learning.

Healthy snack - Please provide your child with fruit, some vegetable sticks or a healthy snack to eat around 10am

Please continue to provide a **drink bottle** each day.

Our weekly **Library** borrowing will remain on **Thursday**.

I would also like to welcome to our room **Kathy**. She is a **Pre-Service Teacher** from UniSA on a practicum for the next 4 weeks. Looking forward to working together and helping each child learn and grow.

Kind regards,

Linda Clark – SL5 Class Teacher 😊
