**30th June**  
Athletics Day  
**4th July**  
Year 6 Camp

**8th July**  
Last Day of Term  
Casual Day  
2:05 pm finish

## MESSAGE FROM THE PRINCIPAL

Dear Families

We are nearing the end of our term which has been very challenging with COVID sickness and all the other Winter illnesses that appear. I am so grateful for the support and understanding families have shown during periods we have needed to close some classes in the school. I understand the impact this has on families.

Fortunately, our resilient staff and students have continued to stay on course with learning successes and extra curricular activities. We are optimistic our Primary Athletics Day will be successfully re-scheduled next Wednesday, 6th July.

We are sadly closing our Canteen pending a tender process for a new company to hopefully take on this opportunity. We express our sincere thanks to Pie Time and their staff for their service and time with us at Ingle Farm. Unfortunately Pie Time are unable to continue outsourcing to our school. I encourage you to drop into their shop at Tea Tree Gully anytime you are in the area.

I hope you can enjoy some family time over the holidays. I look forward to seeing you all next term with what I hope will be term of sunshine and good health.

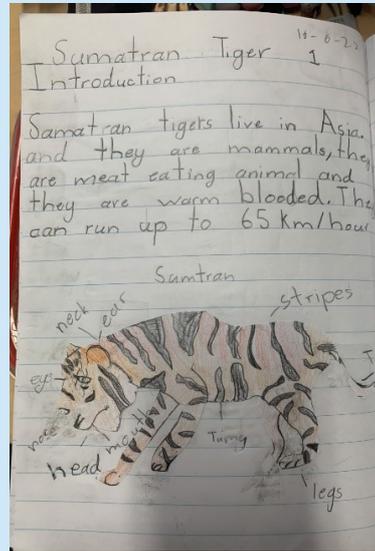

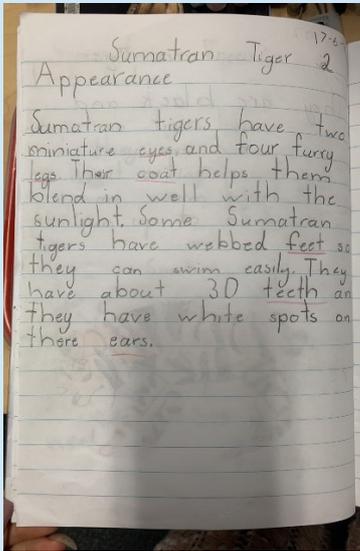

Warm Regards

Vanessa Mortimer  
Principal

## ROOM 2 NEWS

This term, Room 2 has been learning about information reports! We have been learning about endangered animals and how we can save them. To help with our writing pieces, we went to the Adelaide Zoo with the other Year 1 and 2 classes. While we were at the zoo, we went on a hunt for 'Tier 3' words we knew such as; habitat, diet, endangered, mammals and reptiles. After we had lunch and walked around, we were lucky enough to see the Sumatran Tiger during it's eating time and this was very interesting and exciting for all of us. After our walk around the zoo and visiting all the interesting animals we went to the Nature Playground. The in-floor trampolines and long slide were a lot of students favourite part. The following week we did an information report about Sumatran Tigers which turned out amazing!

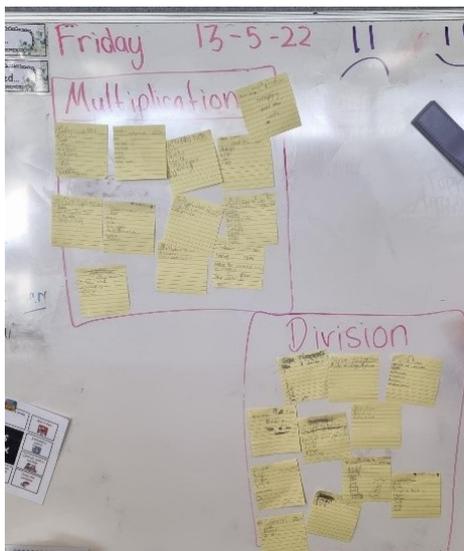

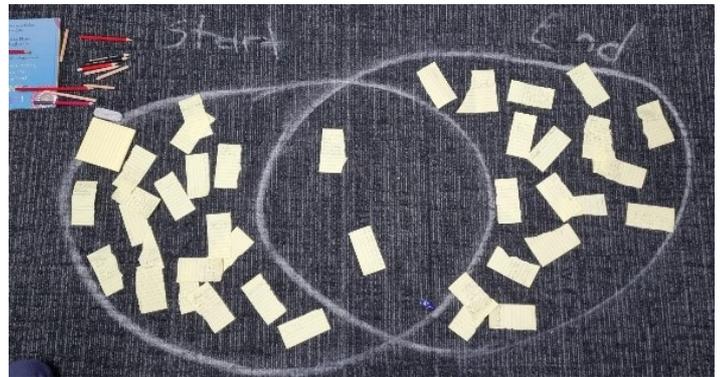

## ROOM 25 NEWS

Room 25 have been working hard on developing their understanding of the four basic mathematical operations. We have explored the connection between addition and subtraction, and learnt a range of different strategies to help us solve these problems. We have also focused on how multiplication and division are connected. We continued our learning by using arrays for multiplication and discussed how they can demonstrate the equal shares of a collection.

In Literacy, we have focused on developing characters in narrative writing. Students have built on their skills to describe characters and their actions, using noun and verb groups. We have also worked on expanding our sentences and practised using more compound and complex sentences in our writing.

We have recently started our Geography unit and the early work has been exciting to witness. Students will be learning about places, their significance and the natural and man-made features of those places. We will be developing and using our computing skills through this unit, as students record their learning as a Kids Travel Blog.

Finally, in AUSLAN students are working in pairs to write a short simple story that they can then read and translate to Mrs Higgins class in the last week of this Term.

# ATHLETICS DAY 2022

**NOW THURSDAY, 30TH JUNE**

Athletics Day for Years 4-6 Students has been moved to Thursday this week. The welcome will begin at 9:00 am and presentations will conclude at 2:00 pm. Families are welcome to join us on the day. Canteen will be open until 1:30 pm

# RECEPTION 2023

Please return Registration of Interest forms to our Front Office by June 30th to be considered for the first round of offers

Our School Tour is on Friday, July 1st at 10:00am and 2:00pm. Please contact our Front Office on 8262 4864 if you will be attending one of these tours.
