DIARY DATES

22nd September

Public Holiday

30th September

Early Dismissal

30th September

Student Free Day

MESSAGE FROM LEADERSHIP

Dear Families,

Term 3 has been another busy term with many successful events and a couple still to come. Thank you to all the families who have supported their children to participate, allowing them to get the most out of the opportunity provided.

Please be reminded that Thursday 22nd September has been declared a 'National Day of Mourning' in honour of Queen Elizabeth II. This is a one-off public holiday where the school will remain closed.

During this term, Ms Hannah and Mr Polyak have been preparing our students for Sports Day in Week 10. This day will see our students participate in a number of tabloid sports, representing their house colours and contributing toward their house points. On top of that, team songs have been designed and rehearsed ready to support all participants over the day. Finally, the students will have an opportunity to beat staff in a relay.

In other sporting news, it is with great pride that I can announce that our SAPSASA football (soccer) team finished 3rd in the state for medium sized schools. On Monday 12th September, the team participated in the semi-final and 3rd / 4th place playoff at the new state centre of football, the ServiceFM Stadium. In a hard fought semi-final, our boys lost 3-1 to Hallett Cove East Primary School. Understandably disappointed, our students rallied together as they wanted to ensure they finished in the best position possible. In the 3rd / 4th place play-off they beat a spirited Concordia side 3-2. From the first round to the 3rd / 4th place play-off, the team ended with a record of 5 wins and 1 loss. A fantastic effort from the boys. A special mention goes to Emile Van Der Walt for supporting the side during the whole journey, thank you.

Warm Regards

Kaylem Short
Principal

ROOM 6 NEWS

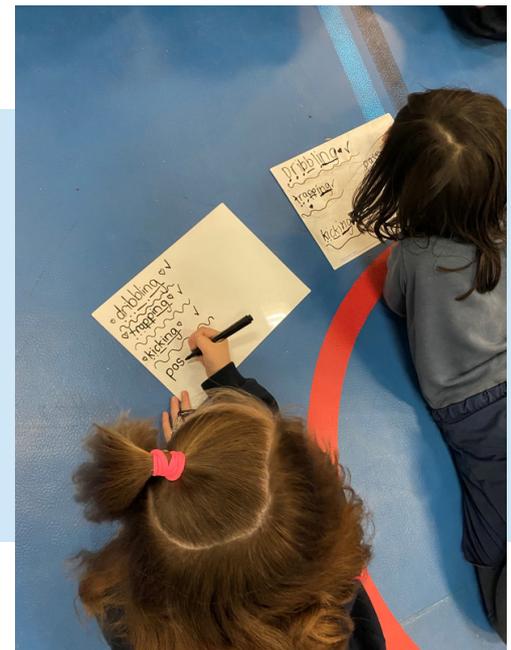

In Room 6 during village time, we break up into our Guided Reading groups and do different activities. These include: segmenting, blending, buddy reading, beginning sounds and independent writing tasks.

All this learning helps us with our reading and writing. Room 6 love to learn!!

PHYSICAL EDUCATION NEWS

In Physical Education students have been increasing their sport specific vocabulary. They are working on sounding out, spelling and using words in sentences to increase their comprehension. Junior Primary have been developing their foot-eye coordination, participating in kicking and dribbling learning activities. Middle and Upper Primary classes have been transferring their game understanding of Volleyball to Badminton to deepen their knowledge of sports played with a net.

ROOM 4 NEWS

Waves of Intervention with Miss Rachel

At Ingle Farm Primary School, we have adopted a whole school waves approach to target all student's phonology, morphology, entomology and orthography learning gaps. In the Grade 1 and 2 cohort, the students are split into five different groups and attend Waves four times a week with their designated teacher and group. In Miss Rachel's Waves class, the students are provided with engaging learning opportunities to learn about letters and how they are linked to sounds (phonemes) to form letter-sound correspondences and spelling patterns and to help them learn how to apply this knowledge in their reading, writing and spelling. Here are some of the student's favourite things about waves:

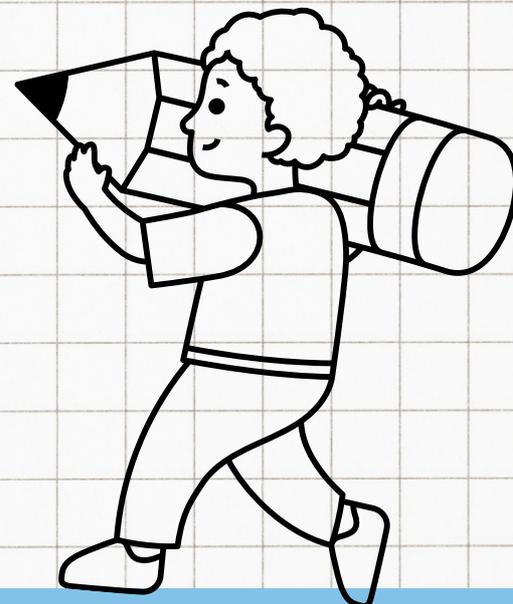

"I like working with different teachers for rotations and I love doing word mapping because it helps me learn." – Aryan (Room 4).

"I love doing dictation on Thursdays because it is so much fun doing a spelling test." – Saba (Room 2).

"My favourite part about waves is working with Miss Rachel and Declan." – Jake (Room 4).

"I like writing words and dictation." – Nasrin (Room 3).

"I like dictation because you get to write words with the sound of the week." – Dani (Room 2).

Thursday 29th September 2022

3:30pm - Children meet at Ingle Farm Salvation Army for rehearsal (please bring Just Brass t-shirt if they have one).

5pm - End of term concert - family and friends welcome.

Please note that children will remain under the care of the Just Brass team from rehearsal to the concert.

North East Community Day

Saturday 5th November
10am-2pm

Hillcrest SA

Proudly Supported by:

Graham Starkey

- Tennis Australia Junior Development Coach
- ANZ Hotshots
- Cardio Tennis

Hello to all parents, this is Graham Starkey from the Pooraka Tennis Club.

We have group coaching available by the term at \$90 per person, with each session 45 minutes long. Private coaching is available as well at \$20 per half an hour with the 1st lesson FREE. Both available to book during the week and Sunday afternoons. There are also racquets available to use during the lesson.

We have modified tennis (orange ball) along with green and yellow ball coaching available. There are orange ball matches starting in term 4 with the season lasting 8-9 weeks, as well as green ball and yellow ball matches commencing in October which go all the way to April, if they are interested in playing matches.

If your child is interested in tennis please contact me on 0414 457 285 or by email gstarkey56@gmail.com
