## DIARY DATES

**12th June**  
Public Holiday

**26th June**  
Nude Food Day

**7th July**  
Athletics Day

## MESSAGE FROM LEADERSHIP

Dear Families

Term 2 has already seen students engage in many different events and excursions. We have had classes visit animals at Adelaide Zoo and Urrbrae Agricultural High School, and our Student Leaders attend AFL max for some leadership building activities. Thank you to all the families what have supported their children and volunteered for classes to ensure these happen. Please be reminded that **Monday 12th June** is the King's Birthday. The school will be closed for this annual public holiday.

### Reconciliation Week (27th May - 3rd June)

National Reconciliation Week (NRW) is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia.

The dates for National Reconciliation Week are the same each year; 27 May to 3 June. These dates commemorate two significant milestones in the reconciliation journey— the successful 1967 referendum, and the High Court Mabo decision respectively.

Wednesday of Reconciliation Week was a special day for Ingle Farm Primary School, our community and our local partnership. We opened our new Garden Tuvila Wardli (Too-wila Wod-ly) which is Kaurna for Sprit Place. The garden was designed to reflect the connection Aboriginal people have to land and the special relationship they have to the animals and plants. We hope that it will serve as a welcoming place that you can enjoy and admire in your own time.

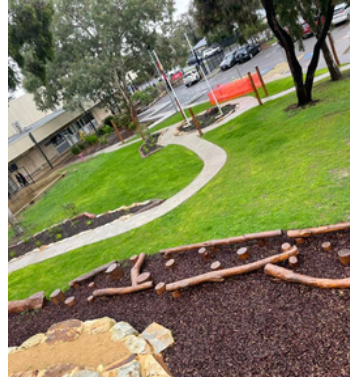

The theme for National Reconciliation Week 2023, 'Be a Voice for Generations', encourages all Australians to be a voice for reconciliation in tangible ways in our everyday lives – where we live, work and socialise.

Through this theme it is important we honour the work of generations past and how it helps to shape generations to come. As a school we believed there was no better way to do that, than inviting our grandparents and significant others to share their stories from the past with our students. On the following page is a collection of photos from the day.

Warm Regards

Kaylem Short  
Assistant Principal

# RECONCILIATION WEEK 2023

# ROOM 12 NEWS

This term, Room 12, 10 and 4 are writing information reports with a focus on farms animals. To assist students with this learning, we went on an exciting, hands-on excursion to the Urrbrae Trails. The students engaged in authentic, hands-on activities to do with farming and food production. The students went on a tour around the farm, with the Year 10 trail guides to interact and experience; horses, alpacas, cattle, goats, aviary birds, sheep, poultry (chickens), honey production and native animals. Despite the weather the students had a great time in their rain coats and gumboots.

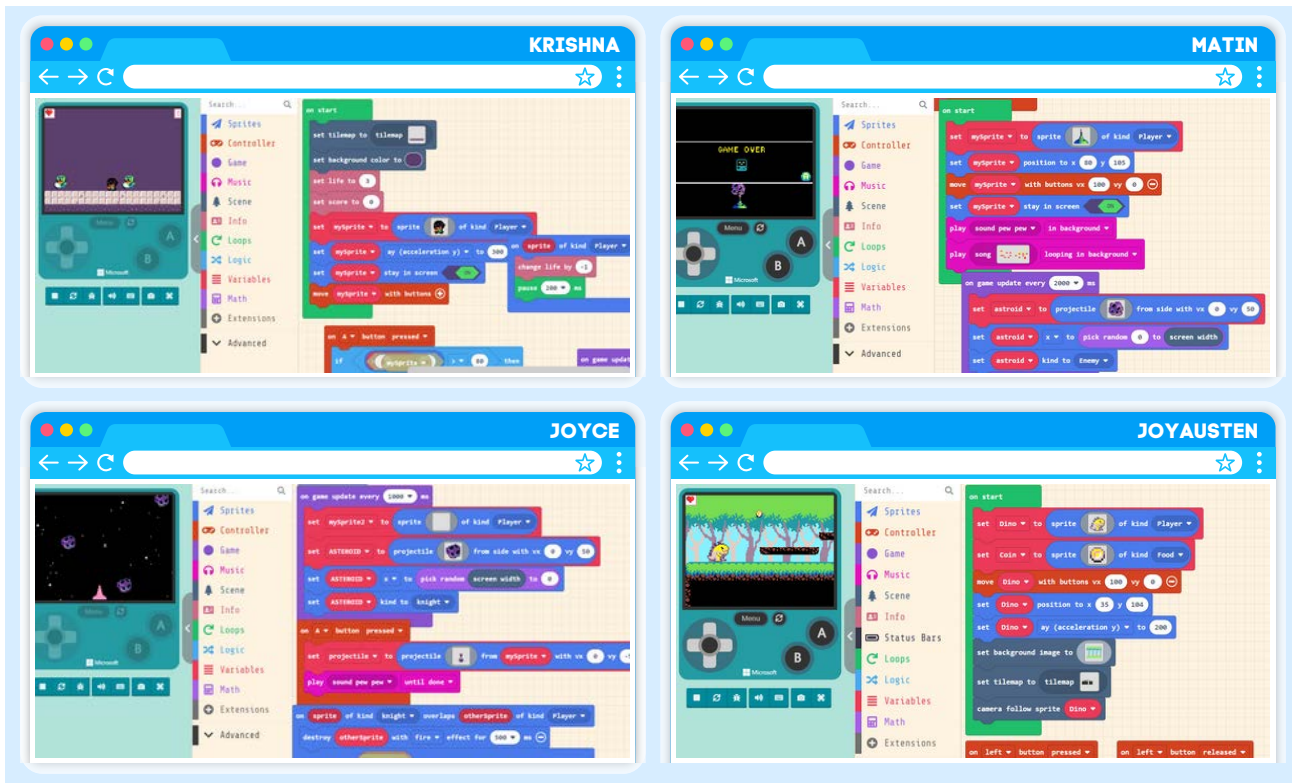

## ROOM 29 NEWS

As part of our Technologies unit, Year 5 students from Room 29 have engaged in creating electronic games as a digital solution to a problem using computational thinking. We have focused on algorithmic design where we created a visual program based on an algorithm, ran and tested a digital game. Students are learning how to design a basic electronic game to teach a skill to a potential user.

Students have been eager to have others test their game and provide feedback. Here are a few snapshots of our current creations. If you'd like to test our games, come see Room 29 for the link!

## ROOM 8 NEWS

On Wednesday 24th May, many classes at Ingle Farm Primary School participated in National Simultaneous Storytime. NSS is an annual event, promoted in Primary Schools and Pre-schools all over the country, encouraging a love for reading with the same book, at the same time, on the same day. This year, "The Speedy Sloth" was the selected book, written by Australian Authors, Rebecca Young and Heath McKenzie.

Room 8 joined with Room 7 and 9 to listen to the story, reading the paperback version and watching an online reading during eating time. The Room 8 Receptions used 'Spike the Sloth' as their focus for guided drawing, description writing and made sloth puppets with their buddies in Room 12.
